Areas of application

For quick cleaning and degreasing of dirt accumulation (silicone, oil, grease residues) on metal, cast, light metal, ceramic, glass, rubber and plastic parts.

TechnicalData

Colours	clear
Shelf life	36 Months

Usage Instructions

Shake can well before use. Apply PETEC silicone remover spray onto the contaminated area from a distance of 20 cm and wipe with a clean cloth. Repeat the procedure several times in case of heavy soiling. Check on beforehand if compatible with the material. Read the safety and technical data sheet! (Download the PETEC data sheets from www.petec.de)
