TechnicalData

Colours	clear
Shelf life	36 Months

Usage Instructions

Shake can well before use. Spray PETEC express and parts cleaner onto the contaminated area from a distance of 20 cm and wipe with a clean cloth. Repeat the procedure several times in case of persistent dirt. Do not spray onto plastic or painted surfaces. Check on beforehand if compatible with the material. Always conduct your own tests to ensure that the product is suitable for each application. Read the safety and technical data sheet! (Download the PETEC data sheets from www.petec.de)

Package Sizes

Item no.: 71750
